C-KITE PERFORMANCE WITH HYBRID DEPOWER

FLEXIFOIL[®]
Live to fly.

VISIT WWW.FLEXIFOIL.COM FOR A FULL LIST OF PRODUCTS

Suitable for intermediate to advanced riders wanting a rock solid kite, with fantastic stability and direct feel that will give you tremendous confidence on the water. You will experience performance created using unrivalled technical aspects from the HadowPro09 including:

- 01 6 Strut Layout with the benefit of hybrid style depower
- 02 Molten Bladder Technology – all bladders tested up to a sweltering 120 degrees centigrade
- 03 Multiple Front & Rear Tow Point Connections – you can adapt to suit your riding style
- 04 Refined Aerofoil Shape for even better upwind performance and driving turns
